Hi [REDACTED] P-20-0112 is on a HOF list. Jira says it is with RMB. Are there any residual issues for RAB?...or is it 100% in your court? It will be talked about this afternoon with [REDACTED] (among other cases).

Ex. 6 Personal Privacy (PP) 11:11 AM:

Hi [REDACTED] RBM is hashing out the consent order with the submitter. The ball is currently in their court while they decide how to proceed.
